

University of Florida | Department of Medicine  
Division of Nephrology and Hypertension  
Nephrology Clinical Case Conference

“Thrombotic Microangiopathy/Hemolytic Uremic Syndrome”

Presented by:  
Ali Rawabdeh, MD  
Nephrology Fellow

Friday, April 19, 2024 | 12:00 pm – 1:00 pm  
Nephrology Conference Room

**LEARNING OBJECTIVES:**

**Upon completion of this activity, participants should be able to:**

1. Identify major clinical disorders that predispose to TMA
2. Recognize Major differences between HUS, TTP and DIC
3. Define main histologic and microscopic changes with TMA
4. Differentiate between typical and atypical HUS to apply appropriate therapy.

**Disclosure**

Ali Rawabdeh, MD has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.
